

Attending Physician's Questionnaire

Claim for Disability Insurance

Policy No. 12500-G

Please complete this form based on your patient's current medical condition. The information you provide will assist Sun Life Assurance Company of Canada (Sun Life) to understand your patient's condition, treatment, prognosis and potential for recovery. Thank you for your time and cooperation.

Please note that any reference to Attending Physician (doctor) also refers to Licensed Physician or Nurse Practitioner.

NOTE: There are three Questionnaire's included in your patient's Disability Insurance (DI) package – Mental Health, Musculoskeletal and one for other conditions. Only one form needs to be completed. Please choose the form most appropriate for your patient's condition. Your patient is responsible for any cost associated with the completion of this form.

5 Prognosis and recovery

Sun Life encourages rehabilitation assistance, modified work or light duties to return an employee to the workplace as soon as medically possible. Based on the information you have provided we will review your patient's rehabilitation potential.

What return-to-work goals have been discussed with your patient? Please explain.

The patient aims to return to work with modified duties in two weeks. Discussions included transitioning to a part-time schedule initially, focusing on tasks that do not require heavy lifting or prolonged standing.
--

Please provide your patient's prognosis for improvement.

The prognosis is positive, with expected significant improvement in mobility and pain management within 2 weeks

Please provide any other information that will help us understand your patient's current condition, recovery goals and prognosis.

The patient is highly motivated and compliant with the rehabilitation program.
Regular follow-ups with specialists will ensure ongoing assessment and adjustment of treatment as needed.
Support from the workplace, including ergonomic adjustments and a gradual return plan, will facilitate a smoother transition back to work
